e-----3--3-3---3-----
  
```

(the chords played thru out this song is C#5,B5,F#5 with the above rythm. but the chords r quite different in the bridge. refer the bridge part of the lyrics)

lyrics:

verse 1:

```

well I don't look good in no armani suits
no Gucci shoes or designer boots
i've tried the latest things from a to z
but there's just one thing that looks good on me
  
```

chorus 1 :

```

the only thing I want,
the only thing I need,
the only thing I chose,
the only thing that looks good on me is you.
  
```

verses 2:

I'm not satisfied with Versace style.
Put those patent leather pants in the circular file.
Sometimes I think I might be lookin' good,
But there's only one thing that fits like it should.

chorus 2 :(same as before)

Bridge:(think the chords r quite different here for the first 5 lines, its
E, B, C#, E, G#5, try to find out where it changes. last line its
same as other part of the song)

yeah, it's you.
it could only be you.
nobody else will ever do.
yeah baby, it's you.
that I stick to.
yeah, we stick like glue.

ending chorus :

the only thing I want
the only thing I need,
the only thing I chose,
the only thing that looks good on me is you.

key:

/ = slide up.
